

Dear Students,

“National (New) Education Policy is not the filling of a pail, but the lighting of a fire.” Education does not stop after the bell rings. Our College fuels desire of the students to navigate the gray areas, finding the answers to life. To **provide affordable quality education**, while equipping students with knowledge and skills in their chosen stream, inculcate values, identify hidden talents, provide opportunities for students to realize their full potential and thus shape them into future leaders, entrepreneurs and above all good human beings. Meeting student needs by creating an educational environment in which students can attain a variety of goals. By strengthening the teaching-learning process through innovative practices, the institution will stimulate the spirit of scientific inquiry and discovery in academics. By providing state-of-the-art institutional infrastructure and excellent human resources, the college will foster a better educational environment. Nature’s paradise, green campus, well equipped lab, with quality lecturers will also impart training in entrepreneurial and life skills for enhancing employability. Green auditing, teacher-students-parents meeting, expert lectures in the relevant issues, mentoring, digital library induction programme in the beginning of the college will provide positive atmosphere in learning process of the students.
